For Immediate Release

May 25, 2018

GENERAL PLAN TECHNICAL UPDATE HEALTHY COMMUNITY SURVEY AND COMMUNITY MEETING

CORONA, CA– The City of Corona is in the process of preparing a technical update to the General Plan. An important part of the update is to identify opportunities for improving community health. Corona would like to hear from its residents and community partners on what makes Corona a healthy community to live, work, and recreate.

The City will be hosting a General Plan Healthy Community meeting on June 21, 2018 at 6p.m. at the Circle City Center located at 365 N. Main Street in Corona. In advance of the community meeting, we invite you to participate in taking a brief survey to prioritize issues about community health. The information received from this survey will assist the city in preparing for the community meeting and eventually creating goals and policies in the General Plan that would promote making Corona a healthier community.

This on-line survey is available at www.CoronaCA.gov/GPSurvey and it will close at 5 p.m. on June 14, 2018.

The City looks forward to hearing from our community stakeholders on what is most important for making Corona a healthier community. Thank you for your participation.

If you would like to learn more about the General Plan Technical Update information can be found at www.CoronaCA.gov/GPUupdate

Healthy Community Meeting

June 21, 2018
